2 *setting of rates?*

3 **FA Response to RfI CA-FA-11:**

4 We have not at this time done any analysis on such a split and it is not currently prioritized to do so.  
5 Any refinement to the rating criteria such as this does not alter the overall indication (i.e. it wouldn't  
6 impact the overall projected claims amount, only how the projected claim amount is divided).
