

1 **Public Utilities Board PUB-FA-14:** *Please provide, on a per written vehicle basis and by rating*
2 *territory for each of UIM, AB and TPL, the average LAE included in rates by each Servicing Carrier in*
3 *the writing of regular market Private Passenger Vehicles in Newfoundland and Labrador.*

4 **FA Response to PUB-FA-14:**

5 Facility Association does not have access to data related to Servicing Carrier regular market activities.
6 We presume a source of this information might be the most recent regular market Private Passenger
7 Vehicle rate applications filed by the Servicing Carriers with the Public Utilities Board, in respect of
8 their own Private Passenger Vehicle rates.
