Length of Cap	

Summary of Changes/Additional Information
Provide a general outline of the changes proposed in the filing. (e.g. discount/surcharge changes, endorsement changes, rate group table updates, capping provisions, etc.)
Sompo Japan filed initial filing last year with the NL Board of Commissioners of Public Utilities and would like to add standard endorsements to the manual. As Sompo Japan has no previous experience to determine the premium for the proposed standard endorsements, Sompo Japan referred to 2022 IAO Auto Manual, with an effective date of July 1, 2022, to set the premium for those endorsements.

The rate change data and average premium data contained in this document was prepared by the filing insurer and submitted to the Board solely for informational purposes and not for the purposes of reliance on by any third party. The Board assumes no liability related to third party use of this data or any actions taken or decisions made as a result of the data set forth herein.

The rate change data and average premium data contained in this document is presented on an aggregate basis. Actual rate changes and premium levels will vary by individual policyholder based on factors including, but not limited to, territory, coverage limit, driving record, discounts, surcharges and deductibles.
