and Board Secretary**

Dear Ms. Blundon:

**Re: Newfoundland and Labrador Hydro - 2017 General Rate Application – Hearing
Schedule**

Further to the Board's correspondence dated March 27, 2018, this will advise that the Island Industrial Customer Group is able to work within the proposed pre-hearing and hearing schedule for March – April 2018.

We reserve our comments on the proposed July/August 2018 resumption of the hearing, pending the Board's consultation with the parties.

We trust this is in order.

Yours truly,

Stewart McKelvey
