Board of Commissioners of Public Utilities
P.O. Box 21040, St. John's, NL A1A 5B2

Dear Ms Blundon:

Re: Correspondence from Board re hearing schedule

I write regarding correspondence dated March 27, 2018, regarding the hearing schedule.

The Labrador Interconnected Group welcomes a process in which Labrador-specific issues are dealt with at a distinct part of the hearing. It will provide for much greater efficiency and will save costs.

Considering that Labrador-specific issues will not be dealt with in April, and in order to save costs, the Labrador Interconnected Group proposes to make its opening statement at the commencement of the portion of the hearing dealing with Labrador-specific issues.

We trust you find the foregoing satisfactory. Please be in touch should you have any questions or concerns.

Yours truly,
Olthuis Kleer Townshend LLP
