Re: Newfoundland and Labrador Hydro - 2017 General Rate Application - Filing Schedule

On October 26, 2018 Hydro filed, as directed by the Board, an update reflecting both the revised forecast of off-island purchases and the updated fuel price forecast along with the revised customer rate projections for 2019 for each customer class. The Board also directed Hydro to file a revision to its 2017 GRA to update Part B, Hydro Proposals.

On November 7, 2018 Hydro completed its filing of undertakings agreed to in the hearing process. On November 19, 2018, in response to IC-NLH-002 in the 2018 Cost Deferral and Interim Rates Application, Hydro stated that it considers the parties final submissions to be the only outstanding item to be bring the GRA record to completion.

The Board requires clarification on the updated information filed by Hydro on October 26, 2018 and sets the following schedule:
