

1 Q. (Reference 2017 GRA Volume I, p1.4) Has Hydro and its parent Nalcor Energy
2 considered altering the Muskrat Falls Power Purchase Agreement as an alternate
3 way to help future ratepayers following any rate increases that may be triggered by
4 the commissioning of Muskrat Falls?

5

6

7 A. There have been no discussions between Hydro and Nalcor with regard to revising
8 the Muskrat Falls Power Purchase Agreement.
