

1 Q. (Reference 2017 GRA Volume I) Has Hydro surveyed its customers as to their
2 preference between using either fuel-cost savings due to off-island purchases of
3 electricity for rate mitigation in 2018 and 2019 or using those savings for post-
4 Muskrat Falls mitigation?

5

6

7 A. No, Hydro has not surveyed its customers as it relates to this specific topic.
