

1 Q. (Reference response to CA-NLH-50) If Hydro does not use LIL/LTA transmission for  
2 purchases to supply Island load in 2018 and 2019, what costs will Nalcor incur for  
3 operating these transmission facilities and what revenues will Nalcor receive in  
4 2018 and 2019 prior to the commissioning of Muskrat Falls?

5

6

7 A. The information requested pertains to Nalcor and is therefore not available from  
8 Hydro.
