

1 Q. (Expert Evidence – JT Browne Consulting, page 14). With respect to the principle of
2 intergenerational equity, would establishing an OPDA and then, after the
3 commissioning of the Muskrat Falls Project, returning the accumulated savings
4 directly to the people who were customers during the life of the OPDA ensure
5 intergenerational equity?

6

7

8 A. This response has been provided by JT Browne Consulting.

9

10 No. Please refer to Mr. Browne’s evidence (page 14).
