

1 Q. (a) Please provide copies of the actual forecasts used in providing the opinion of JT
2 Browne Consulting.

3 (b) Has Hydro shared any confidential information with JT Browne Consulting in
4 formulating this opinion?

5 (c) Please provide a list of any and all documents used in formulating your opinion.
6

7

8

9 A. This response has been provided by JT Browne Consulting.

10

11 (a) In developing his opinion, the relevant information related to Hydro and the
12 Muskrat Falls Project that Mr. Browne relied on is summarized on pages 2
13 through 7 of his evidence (i.e., the “Background Section”).

14

15 Mr. Browne does not recall performing a review of forecasts other than forecast
16 information that has been submitted as part of this proceeding – e.g., Hydro’s
17 response to NP-NLH-115 Revision 1.

18

19 (b) Mr. Browne is not aware of receiving any confidential information from Hydro.

20

(c) Please refer to Hydro’s response to PUB-NLH-140.
