

1 Q. (Compliance Filing - Additional Cost of Service Information) Is Hydro proposing
2 another round of settlement discussions on cost of service and rate design? If not,
3 why not, and if so, when does Hydro propose that such settlement discussions take
4 place?

5

6

7 A. Hydro is interested in concluding cost of service and rate design matters through
8 negotiations and would be willing to engage with parties for this purpose at a
9 mutually agreeable time.
