

- 1 Q. (Summary Report – Additional Cost of Service Information – Cost of Service Studies)  
2 Did Hydro incorporate elasticity impacts on load resulting from the different rates in  
3 the compliance filing from those in the original Deferral Account Scenario?  
4  
5
- 6 A. No, Hydro did not incorporate the impact of price elasticity in its Additional Cost of  
7 Service Information. Hydro used the same load forecast in the Additional Cost of  
8 Service Information as its original GRA filing.
