

1 Q. **Re: May 18, 2018 Application regarding Confidential Information contained in**
2 **Table 2 of Hydro’s Response to PUB-NLH-149**

3 In clause 12 Hydro states “*Maintaining competition amongst energy suppliers is*
4 *essential in order to achieve the lowest energy costs for Hydro's customers*”. Are
5 NEM’s costs and the price it pays for power subject to Board jurisdiction?
6
7

8 A. Nalcor Energy Marketing (NEM) is a not a public utility as defined by the *Public*
9 *Utilities Act*, therefore, its costs and the prices that it pays for power are not subject
10 to the Board’s jurisdiction.
