

1 Q. If the Board were to approve use of the Deferral Account Scenario for the 2019 Test
2 Year as proposed by Hydro, would Hydro propose any adjustments to the rural
3 deficit allocation between Labrador customers and Newfoundland Power to take
4 into consideration that Newfoundland Power would be allocated a greater share of
5 the rural deficit than if the cost of service were based on the Expected Supply
6 Scenario? If not, why not?
