8 A. Hydro oversees Nalcor Energy Marketing work to ensure that activities carried out  
9 by Nalcor Energy Marketing are to the benefit of Hydro’s customers. Hydro  
10 approves weekly production plans prepared by Nalcor Energy Marketing, uses  
11 imports when appropriate to reduce costs for customers, and reviews detailed  
12 invoices to ensure activities have been executed as per Hydro’s requests.

13 The work to develop reporting mechanisms around these activities remains  
14 ongoing. Hydro will provide the Board with a report on activities carried out  
15 through 2018 by Energy Marketing on Hydro’s behalf by the end of Q1 2019.
