2 Exhibit 11, page 20 of 628. Please provide a list of the communities, referenced in  
3 the comment: “the smaller communities are converting to electrical power sources  
4 so there is a need to upgrade conductor size”. Please provide the expected capital  
5 investment plans and schedules for the above noted replacements, and the book  
6 value, voltage and ages of the transmission conductors (Account C13) scheduled to  
7 be removed.
