

1 Q. With respect to the response to NP-NLH-145 (and to IC-NLH-018 which referred to
2 this response), IC-NLH-018 requested: “With reference to the referenced “review of
3 company practice and outlook as they relate to plant operation and retirement”,
4 please provide copies of all documentation by which Concentric Advisors was
5 informed of NLH company practice and outlook as they relate to plant operation
6 and retirement.” Hydro’s response provides no documentation regarding NLH
7 company practice and outlook as they relate to plant operation and retirement.
8 Please confirm that Hydro did not provide Concentric Advisors with any
9 documentation regarding NLH company practice and outlook as they relate to plant
10 operation and retirement (or did not in any way otherwise communicate that
11 information), and if that is not confirmed, then please provide copies of all such
12 documentation and the full substance of any such communications.

13
14
15 A. This response has been provided by Concentric Advisors (Concentric).
16
17 Hydro provided Concentric with historical retirement data, detailed in its
18 depreciation study, management discussions as detailed in the Operational
19 Interviews, detailed in Hydro’s response to NP-NLH-145, Attachment 1, and net
20 salvage information as detailed in Hydro’s response to IC-NLH-159.
