

1 Q. With respect to the Holyrood capacity factor for COS purposes (as per the Summary
2 Report, page 9), please confirm if the proposal to vary from the 5 year average is
3 intended to reflect the fact that the previous 5 years no longer reflect the projected
4 operating mode of Holyrood in the test years? If so, please confirm that good COS
5 practice is consistent with reflecting the best information on test year facts in the
6 COS model.
