

1 Q. LAB-NLH-77: Re: IOC-NLH-006, LAB-NLH-044

2

3 **Preamble:**

4 In IOC-NLH-006, the delivery point between NLH and Hydro Quebec is stated to be
5 at the height of land.

6

7 In LAB-NLH-044, the interface for the control area between NLH and Hydro Quebec
8 is stated to be at the Labrador/Quebec border.

9

10 a) Please explain why the delivery point between NLH and Hydro-Québec is
11 defined differently the interface for the control area between NLH and Hydro-
12 Québec.

13

14

15 A. a) Hydro interprets the “height of the land”, as referenced in Hydro’s response to
16 IOC-NLH-006, to be a point on the “Quebec/Labrador border”, as
17 referenced in Hydro’s response to LAB-NLH-044.¹
