

1 Q. **Evidence on Customer Rates, Revision 2 – November 14, 2018, Schedule 1, Page 8**
2 **of 81, Table 2: Projected Cost of Supply from Off-Island Purchases (\$000s)**

3

4 Please provide a reconciliation of any differences between the 2018 and 2019 Total
5 figures shown in *Table 2: Projected Cost of Supply from Off-Island Purchases* and the
6 changes in energy purchase costs reflected in the comparison of the original and
7 updated Energy Purchases by Suppliers requested in Request for Information NP-
8 NLH-340.

9

10

11 A. Please refer to Hydro’s response to NP-NLH-340. The differences in recapture
12 energy and other off-island purchases in GWh and dollars provided in NP-NLH-340,
13 Attachment 1 equal the values provided for those items in Tables 1 and 2 of the
14 Evidence on Customer Rates, Revision 2.
