

1 Q. Did Hydro conduct a cost-benefit analysis of any other scenarios? For example, did Hydro
2 conduct detailed analysis of the costs and benefits of the business systems offerings or
3 solutions of the other vendors identified in the Justification Report? If so, please provide
4 the analyses. If not, why not?

5

6

7 A. Newfoundland and Labrador Hydro did not conduct a cost-benefit analysis of any other
8 scenarios. Please refer to Newfoundland and Labrador Hydro's response to NP-NLH-366 for
9 further information.
