7 A. Hydro has not determined what option it will utilize to communicate information
8 related to the Rural Deficit. As stated in the conclusion to Exhibit 4, Hydro is
9 working with Newfoundland Power on a communications plan regarding the Rural
10 Deficit. As noted in Hydro’s response to PUB-NLH-086, Hydro will provide an update
11 on the communications plan to the Board by December 15, 2017.
