

1 Q. Further to the response to PUB-NLH-023, describe the activities related to
2 integration with the North American grid that are subject to review and approval by
3 the Public Utilities Board and the processes to be used for such review.

4

5

6 A. The integration activities that fall outside the *Churchill Falls (Labrador) Corporation*
7 *Limited (Lease) Act, 1961*, the *Muskrat Falls Project Exemption Order*, the *Labrador*
8 *Hydro Project Exemption Order*, and the *Maritime Link Exemption Order* are subject
9 to review and approval by the Board. These activities include:

- 10 • an open access tariff application, which will be filed by Hydro in 2018;
- 11 • the review of system reliability undertaken by the Board in Phase II of the
- 12 Outage Inquiry;
- 13 • recovery of the operating costs associated with the Newfoundland and Labrador
- 14 System Operator; and
- 15 • recovery of the costs associated with the Manager of Interconnection &
- 16 Integration.
