
1 Q. **Reference: Evidence, page 9, lines 8-12**

2 The total cost of the BST Program is projected to be \$44.1 million which includes \$2.6
3 million related to preliminary assessment costs which have been absorbed by Nalcor.
4 Hydro's share of the BST program is approx. \$23.2 million (52.6% of the total \$44.1 million).
5 Please confirm that a portion of the \$2.6 million is not included in the \$23.2 million
6 provided in Table 1.
