

- 1 **Q. Please prepare and provide a map showing the locations of all of Newfoundland**  
2 **Power’s operating offices and depots, as well as all Newfoundland and Labrador**  
3 **Hydro operating offices and depots (previously provided to Newfoundland Power**  
4 **by Newfoundland and Labrador Hydro). Show, on the map, the numbers of field**  
5 **personnel, km of distribution and transmission lines, numbers of substations, and**  
6 **the numbers of customers for each Newfoundland Power office or depot.**  
7
- 8 A. Attachment A to this response provides a map showing the locations of all Newfoundland  
9 Power operating offices and depots, and the numbers of field personnel, kilometers of  
10 distribution and transmission lines, numbers of substations, and numbers of customers for  
11 each.<sup>1</sup>  
12
- 13 Newfoundland Power does not have the information necessary to add all Newfoundland  
14 and Labrador Hydro’s operating offices and depots to the map.

---

<sup>1</sup> The base map used in Attachment A is the same base map previously provided to Newfoundland Power by Newfoundland and Labrador Hydro.
