

1 Q. Further to the response to PUB-Nalcor-022, please state whether there are, apart
2 from the Rates Mitigation Committee, any other committees, teams or groups at
3 Nalcor or joint with Nalcor and the Government of Newfoundland and Labrador
4 that are looking at electricity rate mitigation options.

5

6

7 A. In addition to the Rate Mitigation Committee, Hydro and Nalcor employees are
8 actively involved in analyzing electricity rate mitigation options for the Government
9 of Newfoundland and Labrador.
