

1 Q. Further to the response to PUB-Nalcor-058, please provide copies of any 2018
2 reports filed with the Board in relation to the Conservation and Demand
3 Management Plan, whenever such reports might be available, if not already
4 provided.

7 A. At this time Hydro has not filed any 2018 reports with the Board in relation to the
8 Five-Year Conservation Plan: 2016 – 2020; however, the 2018 Conservation and
9 Demand Management Report is expected to be filed with the Board by March 31,
10 2019.
