

1 Q. Does Newfoundland Hydro have information on the planned annual electrification
2 of the port out to 2030? (in terms of number of berths or percentage of annual
3 docking)? If so, please provide.

4

5

6 A. Hydro does not have the requested information on the planned annual
7 electrification of the St. John's port facilities. Please refer to Nalcor's response to
8 PUB-Nalcor-117.
