

1 Q. Please provide the Capital budgets for 2019 to 2023 for Nalcor Power Supply's  
2 Transmission System.

3

4 A. Capital programs not relating to the construction of the LIL/LTA assets are in early  
5 stages of development. PUB-Nalcor-175 (g), Table 3 provides a listing of start-up  
6 capital items that have been identified for the LIL/LTA and are currently being  
7 prioritized and evaluated. The next iteration of a detailed multi-year capital  
8 expenditure forecast update beyond 2021 has commenced and will be formally  
9 approved later this year as part of the Nalcor Budget 2020 process.
