Re: Newfoundland and Labrador Hydro (NLH) 2018 Capital Budget Application Muskrat Falls to Happy Valley Interconnection Update

Dear Ms. Blundon:

The Towns of Wabush and Labrador City must respectfully oppose the above noted application submission due to lack of information; more time and legal council is required to review the application and determine our position.

We feel obligated to oppose this project, as we are unsure of the ramifications to our residents, businesses and industry; and having just lost our legal council on this matter, we feel it prudent to do so.

Please advise if you require any additional information on this matter.

Respectfully,

Ron Barron
Mayor, Town of Wabush

Mayor, Town of Labrador City
