

1 Q. Reference: Study, Section 9, page 34, figure 6

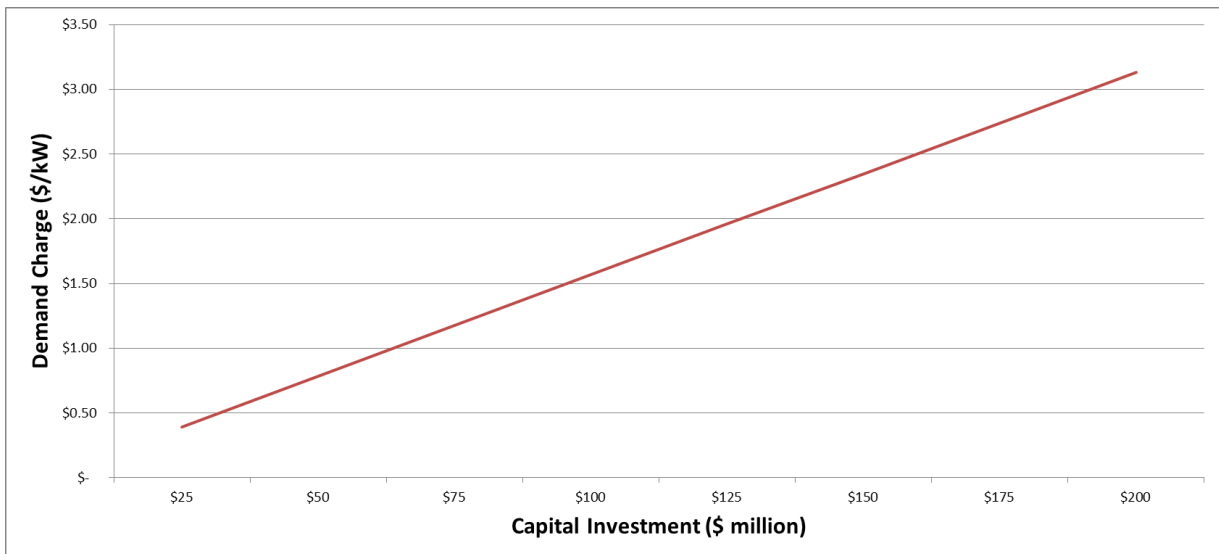

2

3 Please provide figure 6 in "\$/kW-month" instead of "% increase" for Industrial customers.

4

5

6 A. Please refer to Figure 1. The \$/kW month incremental demand charge represents the  
7 increase in the transmission demand charge for each amount of capital investment  
8 provided on the X-axis.
