

2018 Capital Budget Application – Muskrat Falls to Happy Valley Interconnection Project

1 Q. Can Hydro provide assurances to LIS customers that, in the future, they will never
2 be called upon to contribute to the costs of the LTA in general, and line L3101/3102
3 in particular, in the event that the MFHVI is built and operated as planned? Please
4 elaborate.

5

6

7 A. Please refer to Newfoundland and Labrador Hydro's response to LAB-NLH-071, part
8 b).
