

1 Q. What financial analysis has Hydro undertaken based on Liberty's findings re: procurement and  
2 on duplications and services between the two utilities and the costs of these duplications for  
3 ratepayers?

4  
5

6 A. As outlined in CA-NLH-031 (filed as part of this proceeding), Newfoundland and Labrador  
7 Hydro's ("Hydro") discussions with Newfoundland Power are preliminary. Therefore, Hydro has  
8 not yet undertaken any financial analysis regarding joint procurement opportunities or potential  
9 duplication of services.
