

1 Q. **Reference: Application, para. 19**

2 It is stated “An additional approximately \$0.1 million will be provided by Nalcor Energy for the  
3 planned charger location in Churchill Falls.”

4 a) Is Nalcor Energy being incorporated as part of Hydro, and if so, will the \$0.1 million  
5 ultimately be recovered from customers?

6  
7  
8 A. a) Nalcor Energy, Newfoundland and Labrador Hydro, and their affiliated subsidiaries are in the  
9 process of a reorganization of corporate structure and a rebranding as Newfoundland and  
10 Labrador Hydro. Any costs that have been committed by Nalcor Energy and would not have  
11 been recovered from Newfoundland and Labrador Hydro’s ratepayers will continue to be an  
12 expense that is not recovered from ratepayers.
