

1 Q. **Reference: Application**

2 a) How many BEVs are operating/registered on the island of Newfoundland?

3 b) How many plug-in hybrids?

4

5

6 A. Table 1 provides the number of active passenger vehicle registrations by fuel type in the  
7 province of Newfoundland and Labrador.<sup>1</sup> Please note that for the Hybrid category, information  
8 on hand was not sufficiently granular to break out plug-in hybrids from non-plug-in hybrids.

**Table 1: Registered Passenger Vehicles by Selected Fuel Type  
Newfoundland and Labrador  
First Quarter of 2021**

	Passenger Car	Truck/Heavy Vehicle	Total
Hybrid	860	7	<b>867</b>
Electric	204	26	<b>230</b>
