

1 Q. Please confirm whether the “Program Costs” included in Column B and the “Incremental System
2 Costs” included in Column D of the Net Present Value Analysis in Appendix A of Schedule 1 are
3 the result of electrification initiatives relating only to the Island Interconnected system. If not,
4 please explain why electrification initiatives for other systems would be included in the NPV
5 analysis.

6

7

8 A. It is confirmed.
