

1 Q. **Reference: Application, Attachment 1, Page 10, Lines 12 - 14**

2 On Page 10 at Lines 12 - 14, Hydro states:

3 If the environmental assessment process were to result in project approval,  
4 Hydro estimates that the costs associated with mitigating or accommodating all  
5 environment requirements for Site 5B, as described above, could cost in the  
6 order of \$10,000,000.

7 Please provide the details of the \$10,000,000 estimate for the costs associated with mitigating  
8 or accommodating all environment requirements for Site 5B.
