

- 1 **Q. Given that it has been the consistent judgment of the Board that NP is an average**
2 **risk Canadian utility and that the company judges that its risks have not materially**
3 **changed since 2018 (page 1-8), is it fair to say that the company remains an average**
4 **risk Canadian utility? If not please explain why this risk assessment might have**
5 **recently changed?**
6
7 **A. See response to Request for Information PUB-NP-036.**
