Dear Sir:

Re: Newfoundland and Labrador Hydro – Amended General Rate Application

This relates to Hydro's correspondence, dated November 28, 2014 in relation to Hydro's amended general rate application, setting out a list of outstanding approvals required by Hydro. The Board notes that Hydro does not address its amended general rate application request to amortize and recover costs associated with Extraordinary Repairs of \$0.2 million per year for five years commencing in 2015. Please advise if this request must be approved by December 31, 2014 and if there are any further matters to be addressed before year end.

As to the other approvals noted by Hydro as required by year end the Board will establish a schedule for each and advise by way of separate correspondence.

If you have any questions, please do not hesitate to contact the Board's Legal Counsel, Ms. Jacqui Glynn, by email, jgynn@pub.nl.ca or by telephone, 709-726-6781.

Yours truly,

Cheryl Blundon
Board Secretary
