BOARD OF COMMISSIONERS
OF PUBLIC UTILITIES

APR - 1 2013

ST. JOHN'S, NL

Dear Madam:

Re: Newfoundland and Labrador Hydro – Application for approval to proceed with the installation of an additional 230 kV transformer at the Oxen Pond Terminal Station

At this time we write on behalf of the Island Industrial Customers, Corner Brook Pulp and Paper Limited, North Atlantic Refining Limited and Teck Resources Limited in relation to the above noted matter.

Unfortunately, we have not yet had the opportunity to discuss the above noted Application with the Industrial Customers for the purposes of determining whether further Requests for Information will be filed and, if so, the extent of same.

As such, the Industrial Customers would request an extension for the filing of R.F.I.'s to Monday, April 8th, 2013, or such shorter period as the Board may consider appropriate.

We trust you find the foregoing satisfactory and await your reply.

Yours very truly,

POOLE ALTHOUSE
