Dear Sirs:

Re: Newfoundland and Labrador Hydro – Application for approval to proceed with the installation of an additional 230 kV transformer at the Oxen Pond Terminal Station – Extension of RFIs filing date.

This is further to the Industrial Customers' request received earlier today to extend the filing date for RFIs in this matter to Monday April 8, 2013.

The Board will grant the Industrial Customers' request and will extend the filing date for RFIs to Monday, April 8th for all parties. At this time, the Board will not change the remaining dates in the schedule but will entertain further extensions if necessary.
