Dear Sirs:

Re: Newfoundland and Labrador Hydro – Application for approval to proceed with the installation of an additional 230 kV transformer at the Oxen Pond Terminal Station – Revised filing schedule.

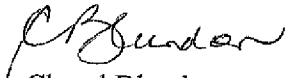

This is further to our letter of April 1, 2013 and the letter received earlier today from Hydro requesting an extension for the filing of the Replies to Requests for Information.

All parties have advised that they have no objection to the requested extension. The Board has granted Hydro's request and has also further extended the filing date for the receipt of submissions and comments from the parties as follows:

<u>Date</u>	<u>Filing</u>
Wednesday April 17, 2013	Replies to Requests for Information
Tuesday, April 23, 2013	Written Submissions/Comments from Parties
Thursday, April 25, 2013	Hydro's Reply

If you have any questions, please do not hesitate to contact the undersigned.

Yours truly,

A handwritten signature in cursive script, appearing to read "C. Blundon".
