Dear Sirs:

**Re: Newfoundland Power Inc. - Application for approval of a capital expenditure supplemental to its 2014 Capital Budget in the amount of \$2,892,000 to improve electricity system operations - Comments requested**

Please be advised that the Board received the above noted application on Friday April 4, 2014 which, according to the Board's established process for the filing of routine applications, was also copied the Consumer Advocate and Newfoundland and Labrador Hydro. Both have advised that will not be filing information requests or making submissions on the application.

The Board has determined that, as this application is related to the Board's ongoing investigation and hearing into supply issues and power outages on the Island Interconnected system, the intervenors in that hearing may have an interest and should be afforded the opportunity to comment. Attached is the application and related correspondence on record. The Board asks that you advise the Board of your intention to file comments before **10:00am, Tuesday, April 29th**.

If you have any questions, please contact the Board's Legal Counsel, Ms. Jacqui Glynn, by email, [jglyn@pub.nl.ca](mailto:jglyn@pub.nl.ca) or telephone (709) 726-6781.

Yours truly,

Cheryl Blundon  
Board Secretary
