

Undertaking 183

Re: Increase of 5.5 FTEs in Corporate Relations as per NP-NLH-228 (Rev 1), page 3 lines 15-16 and IC-NLH-096

Undertake to provide reconciliation of the difference in the increase of 5.5 vs 4 in FTEs.

The difference of 5.5 FTEs from 2014 Test Year to 2015 Test Year referenced in NP-NLH-228, page 3, lines 15 – 16, is related to home based FTEs before any charges in and out of Hydro.

The difference of four noted in IC-NLH-096 is related to net FTEs after charges in and out of Hydro are applied.
