Re: Newfoundland and Labrador Hydro-2013 General Rate Application –
Schedule for Responses to Requests for Information (“RFI”)

Commissioners:

I am counsel for the Towns of Labrador City, Wabush, Happy Valley-Goose Bay and North West River (The Towns). The Towns respectfully request that the due date for the round 2 RFI questions be postponed to a date at least two weeks after all of the round 1 RFI responses have been provided by Newfoundland and Labrador Hydro to the parties.

My reasons for this request are the same as those expressed by counsel for the Innu Nation in their correspondence to the Board dated October 30th, 2013.

Respectfully submitted.
