The Board acknowledges that the hearing of Hydro's general rate application is ongoing and that the schedules for other ongoing regulatory matters require multiple filings over the next few weeks. If you have any particular concerns in relation to these other matters you should discuss this with Board counsel. It is noted, however, that the timelines in the above schedule for Hydro's interim rates application are necessary to allow for implementation by Hydro and Newfoundland Power of any approved rate adjustments by July 1, 2018.

If you have any questions please do not hesitate to contact the undersigned.

Sincerely,

Cheryl Blundon
Board Secretary
