

1 Q. **Reference: Schedule 6, Program 1 Replace Light- and Heavy-Duty Vehicles (2024-2028), Page 5,**
2 **lines 12–16**

3 It is stated that Hydro’s replacement criteria are consistent with utility counterparts across
4 Canada. Please provide survey results or other information Hydro relied on for this statement.

7 A. This statement was based on data contained in a selective survey performed by another utility,
8 in which Newfoundland and Labrador Hydro (“Hydro”) was not included. Age was used
9 exclusively as the primary determinant in this particular survey. If included in the survey, Hydro
10 would have been placed in the middle third of the grouping listed in Table 1.
