

1 Q. Further to PUB-NLH-060 Has Hydro completed a condition assessment of the overall condition
2 of its other hydroelectric generating facilities, not including the Bay d'Espoir Plant? Please
3 explain Hydro's asset management plan for these facilities.

4

5

6 A. The asset management strategy for the other facilities is the same as Bay d'Espoir. Please refer
7 to Newfoundland and Labrador Hydro's response to PUB-NLH-060 of this proceeding.
