

1 Q. **Reference: Application**

2 Now that the rate mitigation plan has been announced, when does Hydro expect to file its next
3 General Rate Application?

4

5

6 A. As noted in Newfoundland and Labrador Hydro's ("Hydro") most recent general rate application
7 ("GRA") update,¹ with the details of the Government of Newfoundland and Labrador's rate
8 mitigation plan finalized, Hydro continues to prepare to file its next GRA in the second half of
9 2025. Hydro's next quarterly GRA update is due on September 30, 2024.

¹ "Quarterly Update – Items Impacting the Delay of Hydro's Next General Rate Application," Newfoundland and Labrador Hydro, July 2, 2024.
